## 1. Implemented Features

### 1.1. Implemented User Stories

User Story reference	Name	Priority	Description
V01	Login	High	As a Visitor, I want to Login, so I can fully access the website.
V02	Register	High	As a Visitor, I want to Register, so I can have an account and become a User. I will input a username, an email and password and have my email verified with a confirmation link.
V03	Home Page	High	As a Visitor, I want access to the Home Page, so I can login and register, as well as have displayed some of the most popular events, communities and categories of the website and search for public events.
M01	Home Page	High	As a Member, I want access to the Home Page, so I can access my profile, see the events I'm participating in by chronological order, get suggested events and extend my search with filters. I also want to be able to logout, create events and check my notifications bar.
V03, M02, M03, M05, EA01, EA02	Event Management	High	As a Member, I want to manage an Event, by creating an event, checking the event's information, edit said information and invite other Members, as well as participating on said event and buy tickets(if applicable). I will also want to search for events
M05	Logout	High	As a Member, I want to be able to log out of my account, so I can end my session.
U02	FAQ Page	Medium	As a User, I want access to the FAQ Page, so I can read the most recurring questions.

User Story reference	Name	Priority	Description
U03	Contact Page	Medium	As a User, I want access to the Contact Page, so I can contact the Administrators.
U04	About Page	Low	As a User, I want access to the About Page, so I can get more information regarding the website.
